Do you want to work in a culture that allows you to bring your full self in everything you do? At InteliWISE (an Efecte Company) you can! Our culture allows you to integrate your job with your life to find a balance between work and life to live fulfilled and happy life. Working in this team you'll be able to utilize your full potential through professional targets and good life! We believe that awesome software can be designed, developed, and operated in Europe. Our products allow our customers to digitalize and automate their services through no-code platform configuration. With over 300 customer implementations so far, we help hundreds of thousands of end-users to automate and digitalize their every-day work. Building lasting relationships with all our customers and end-user experience are in the core of all that we do. We are the European Alternative with the vision of becoming the leading European Alternative in our space!
